features without prior notice. All optional accessories are subject to additional charges.

The World-Class Manufacturer of Pick-Up Trucks

Having built more than 26 million engines internationally for almost a century, Isuzu has come to stand for a symbol of strength and reliability when it comes to manufacturing pick-up trucks. Our esteemed reputation is built upon our core philosophy of the Isuzu "Truck DNA" - producing pick-ups precisely engineered for durability, reliability and fuel efficiency.

Now, Isuzu is proud to present its latest generation of pick-up truck, and its award winning class-defining flagship model -
The All-New Isuzu D-Max X-Terrain.

Dream bigger, higher, further.

The All-New Isuzu D-Max X-Terrain is designed to be better than ever before. Each aspect and feature of the pick-up truck is crafted to provide the best possible experience - from design, technology, performance, to safety, and all throughout the ownership journey.

It's not all empty claims either. In fact, The All-New Isuzu D-Max X-Terrain is made with full confidence and built to last, which is why it comes with **7 YEARS UNLIMITED MILEAGE WARRANTY**. In essence, The All-New Isuzu D-Max X-Terrain not only pushes the boundaries on what a pick-up truck represents, but also crafted to be the perfect companion for every driver that takes the wheel.

**BREAKING
BOUNDARIES**

One truck. Infinite possibilities.

With The All-New Isuzu D-Max X-Terrain, even the limit reaches beyond the skies. From the new and improved performance, off-road capabilities to the advanced driving features, every trip is guaranteed to be an adventure.

Leather Steering Wheel with Audio, Bluetooth
Hands-Free & Voice Recognition Switches

The command centre that makes
your life easier. The All-New Isuzu
D-Max X-Terrain offers all the
technological convenience and
functionality you expect,
and more.

The image shows the engine compartment of a vehicle with the hood open. The central focus is the large, silver engine cover which has the 'ISUZU' logo and a circular air intake. Various hoses, a battery, and other engine components are visible around it. The lighting is dramatic, highlighting the metallic surfaces of the engine.

3.0 TD
BLUE POWER

Designed to overtake

All the power you need, and all the thrill you want. The advanced 3.0 litre Blue Power turbo diesel engine packs a powerful **190PS**, **450Nm** of torque, with a flat torque at 1,600 - 2,600 rpm. On top of that, the smooth 6-speed automatic transmission allows for a sportier, more pleasurable drive.

Command and conquer

Under-Body Protection

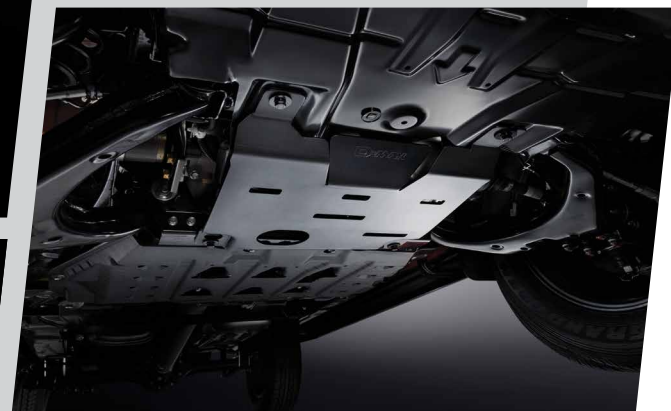

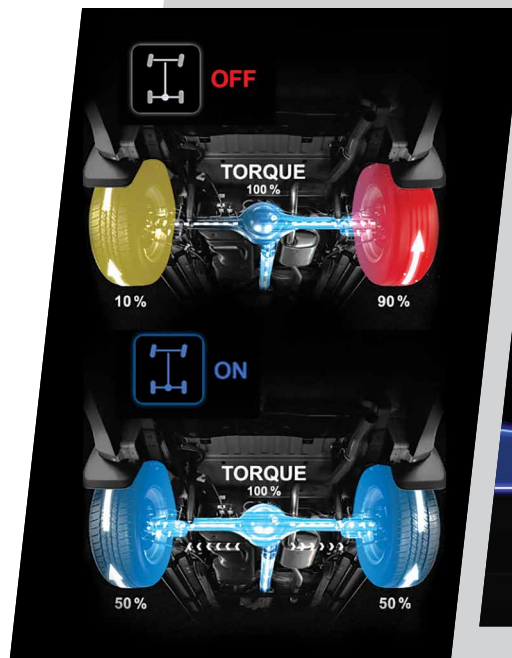

Steel under-body guards the essential parts of your All-New Isuzu D-Max X-Terrain, so you can have peace of mind and enjoy your adventure to the fullest.

Rear Differential Lock

When it comes to the off-road, the differential lock ensures you have the traction you need to explore safely.

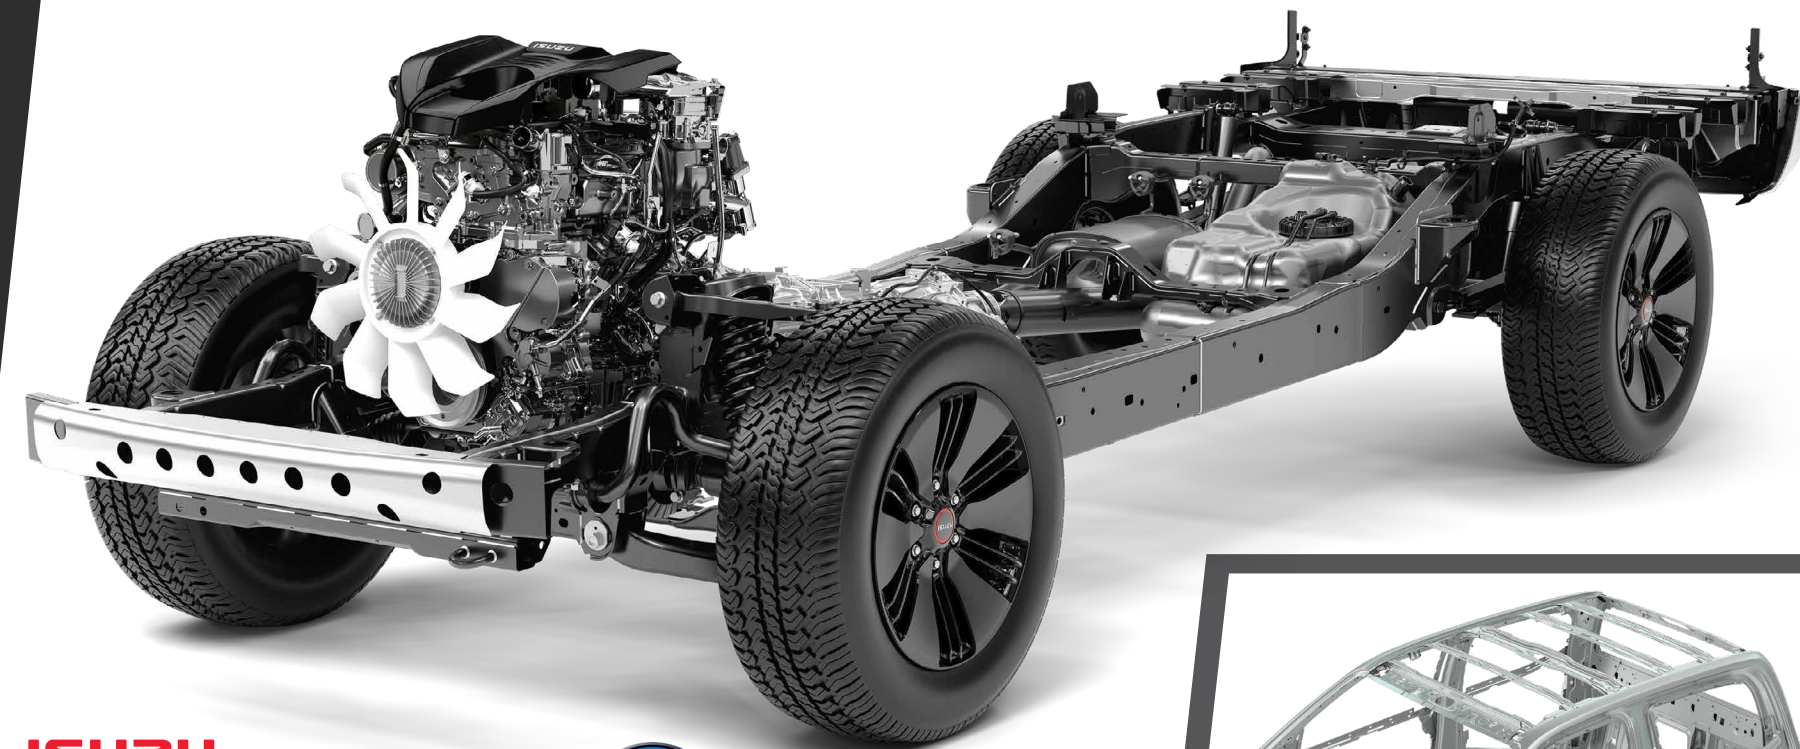

800mm Wading Depth

Venture into water crossings confidently with an increased wading depth of 800mm.

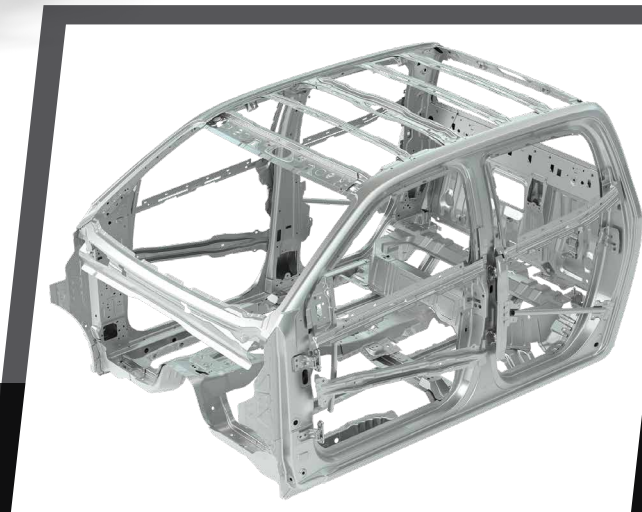

TERRAIN COMMAND

Engineered for the extreme terrains, The All-New Isuzu D-Max X-Terrain features Terrain Command, allowing you to switch between 2WD, 4WD-high and 4WD-low modes in less than a second, and navigate effortlessly between normal pavements, wet roads, and off-road conditions.

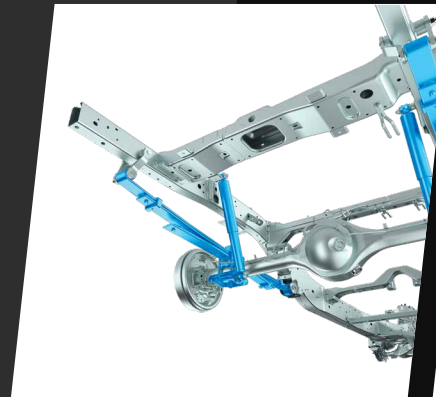

ISUZU
DYNAMIC
DRIVE PLATFORM

Tougher, stronger, better

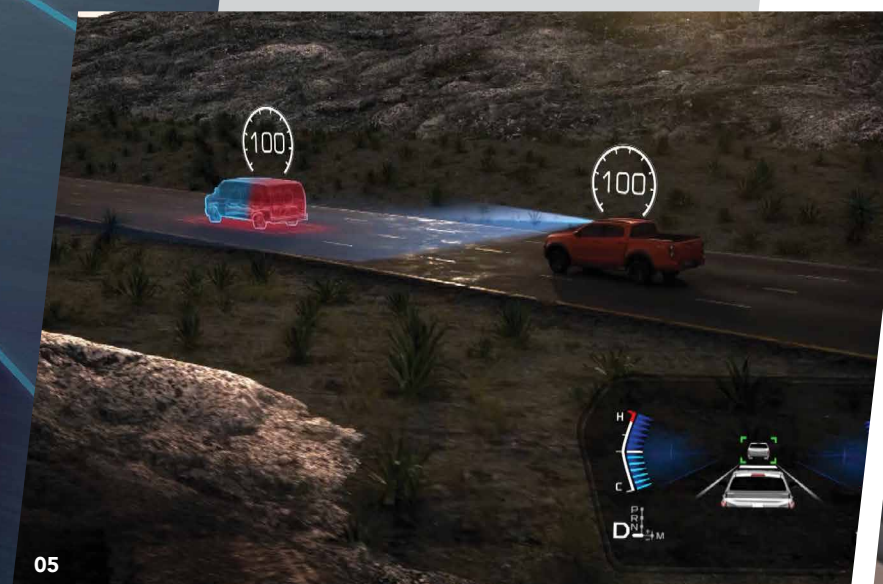

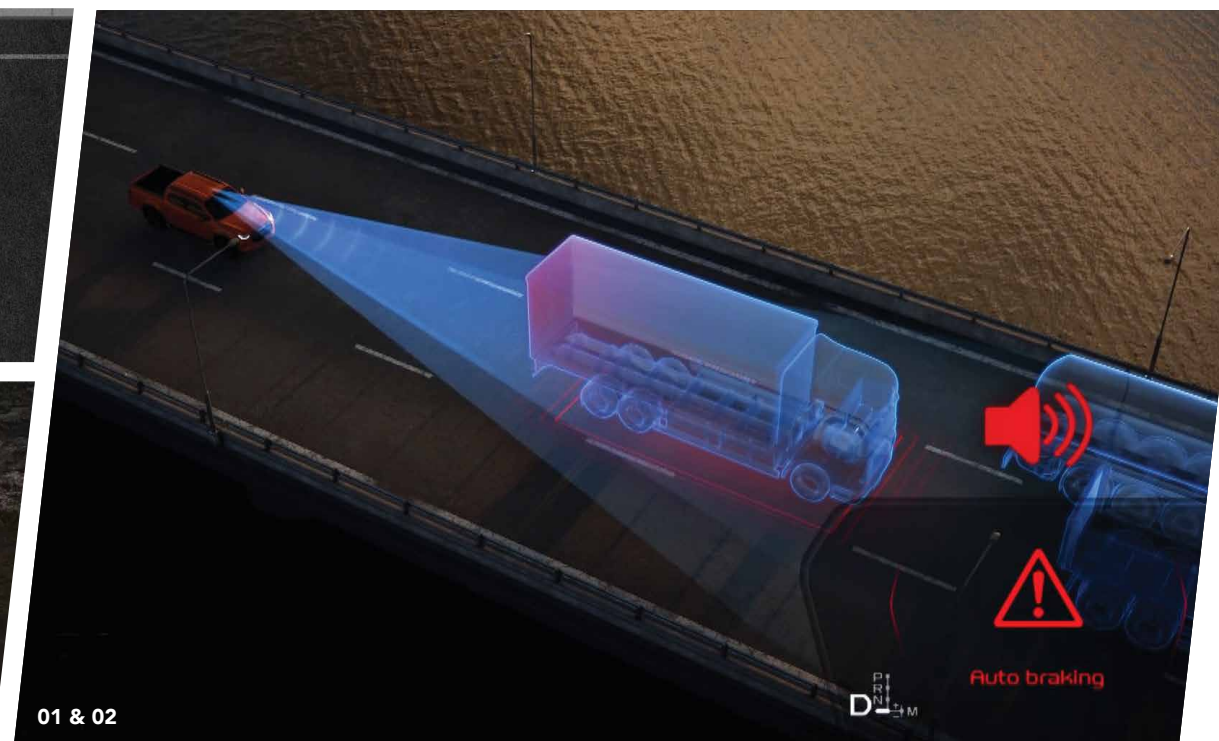

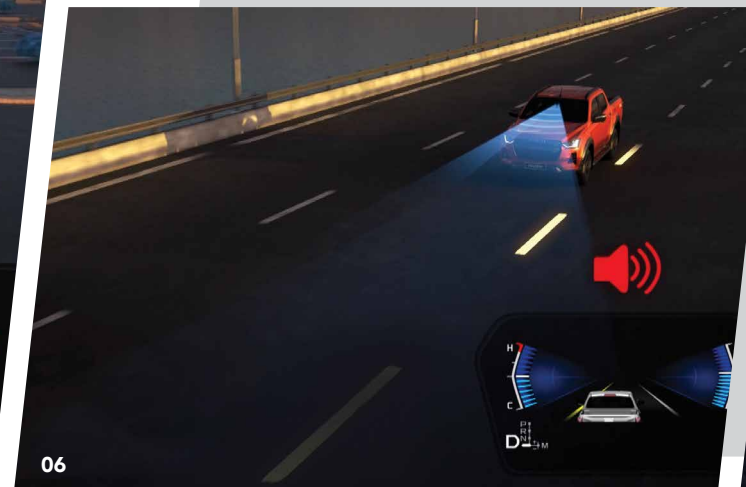

The All-New Isuzu D-Max X-Terrain's chassis has been refined across multiple aspects. It's larger, higher, and wider with additional cross members for improved safety and stability. At Isuzu, our skilled engineers go down to the minute details for a better driving experience, and the D-Max has undergone an extensive 4 million kilometres durability test before being approved for the road.

A new standard of safety with Advanced Driver Assist System

Complete safety features with
ADAS
 ADVANCED DRIVER ASSIST SYSTEM

01 Forward Collision Warning (FCW)

Detects a potential collision in front of the vehicle and alerts the driver.

02 Autonomous Emergency Braking (AEB)

Detects a potential collision and brakes automatically.

03 Turn Assist

Helps monitor opposing traffic when turning and brakes automatically to avoid accidents.

04 AT Pedal Misapplication Mitigation

Detects whether the accelerator has been applied accidentally and automatically suppresses the engine torque and alerts the driver if there is a vehicle in front.

05 Adaptive Cruise Control with Stop and Go (ACC)

Adjusts your cruising speed based on vehicles around you, including Stop & Go functionality.

06 Lane Departure Warning (LDW)

Detects and warns the driver should you drift towards another lane.

07 Automatic High Beams (AHB)

During travel, the D-Max dims the high beams automatically to avoid dazzling other drivers.

08 Blind Spot Monitor (BSM)

Warns you in your side mirrors when a vehicle is approaching in your blind spot.

09 Rear Cross Traffic Alert (RCTA)

Monitors the rear of your vehicle and alerts you when an object approaches.

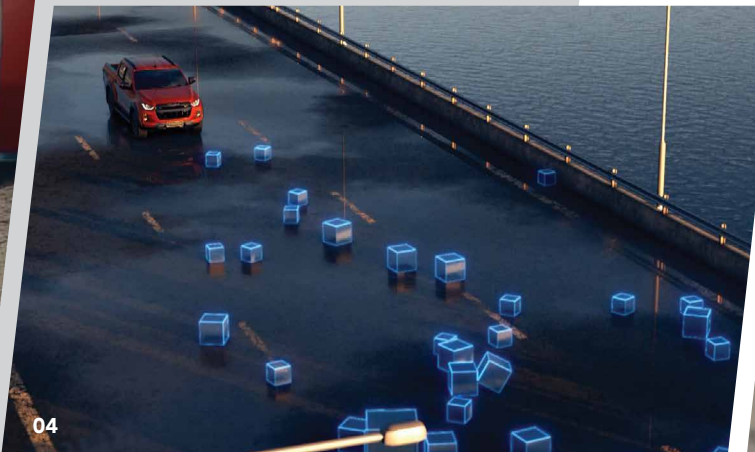

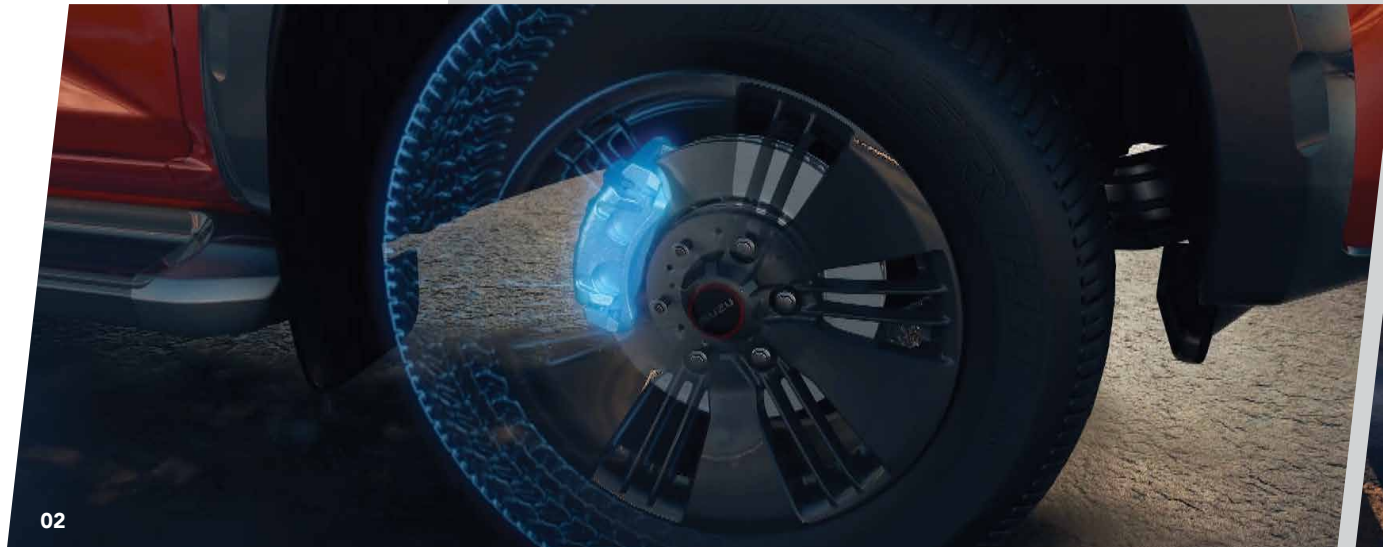

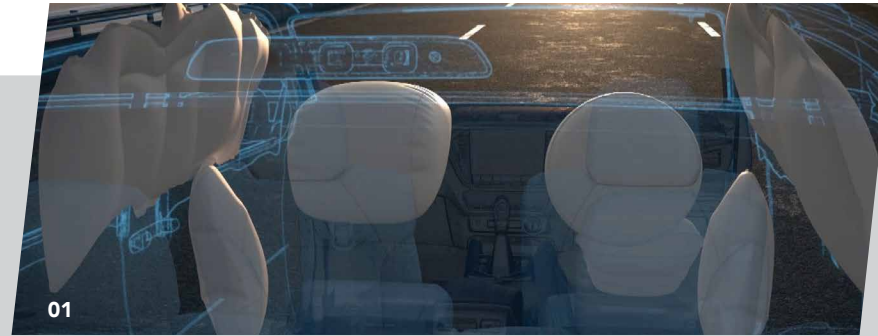

Manual Speed Limiter (MSL)

Enables driver to set a maximum speed (30-160km/h) so that the driving speed could not exceed the set speed limit.

Multi Collision Brake

In the event of an accident, the D-Max's multi-collision brake systems can prevent or mitigate subsequent impact.

State-of-the-art safety in your drive

01 7-SRS Airbags

For the ultimate protection, The All-New Isuzu D-Max X-Terrain comes with 7 SRS airbags to ensure the driver and every passenger is in safe hands.

02 Anti-lock Brake System (ABS)

Ensures the vehicle can still manoeuvre in an emergency situation.

03 Electronic Brake-force Distribution (EBD)

Controls braking force between the front and rear wheels according to vehicle load.

04 Brake Assist (BA)

Helps apply full braking force in emergency situations.

05 Electronic Stability Control (ESC)

Helps you keep control of the vehicle.

06 Traction Control System (TCS)

Provides greater control over the road or terrain.

07 Hill Start Assist (HSA)

Automatically prevents roll-back when starting on steep gradients.

Hill Descent Control (HDC)

Automatically controls the brakes and maintains vehicle speed while descending steep slopes.

Emergency Stop Signal (ESS)

Flashes warning lights to indicate that the vehicle is braking rapidly due to an emergency situation.

Front & Rear Parking Sensor

8-sensors provide instantaneous feedback to detect objects during parking.

Reverse Camera

Monitors the surrounding area behind the vehicle while you reverse.

BREAKING BOUNDARIES

The All-New Isuzu D-Max X-Terrain is made to challenge the limitations of life itself - not only on the limits of performance, technology, and driving experience, but also to redefine the relationship as a life companion for the D-Max driver.

With The All-New Isuzu D-Max X-Terrain, it's time to break boundaries.
