

THE ALL-NEW **ISUZU D-MAX**

4X2
AUTO PLUS

Lean, mean, and beyond

// Be every version of yourself

The All-New Isuzu D-Max Auto Plus 4x2 is built for the kind of adventures that fit your urban lifestyle. A pickup truck designed to be leaner, more dynamic, and more versatile for everyday drives in the city. Whether it's your daily work or pleasure over the weekend, with The All-New Isuzu D-Max Auto Plus 4x2, it's time to break boundaries.

// A brave new adventure awaits you

The cabin of the All-New Isuzu D-Max Auto Plus 4x2 is spacious and inviting, designed for optimal comfort. With the 7 inch Touch Screen Infotainment System at your fingertips and the luxurious leather wrapped steering wheel, having an enjoyable and pleasant drive is all but guaranteed.

A bold and modern look

With an aggressive front that gives it an imposing presence, The All-New Isuzu D-Max Auto Plus 4x2 also features daytime running lights that increase the vehicle's prominence on the road, making an unforgettable impression wherever it goes.

Featuring a modernized design styling language such as the Body Coloured Integrated Rear Bumper and Side Steps, The All-New Isuzu D-Max Auto Plus 4x2 combines a signature sporty design with sleek, sophisticated lines along its body. Manoeuvre your truck while avoiding blindspots handily with the reverse camera and reverse sensors as well.

7 inch Touch Screen Infotainment System
with Apple CarPlay and Android Auto

Full control at your fingertips

The All-New Isuzu D-Max Auto Plus 4x2 is all about the journey, not the destination. Stay connected and entertained with 7 inch Touch Screen Infotainment System with Apple CarPlay and Android Auto as well as the 6 speakers for an immersive audio experience.

e-LUMAX Meter Instrument Panel

Featuring electroluminescent technology, the e-LUMAX meter instrument panel comes complete with 4.2 inch Multi-Information Display (MID) offering easy reference and readability, even in daylight.

// Cruise in comfort and style

Inside The All-New Isuzu D-Max Auto Plus 4x2, you'll be greeted with a roomy and practical interior. From the spacious legroom to the stylish and relaxing seats, you'll be slipping into comfort and be relaxed throughout your entire journey.

6-Speaker Immersive Audio Experience

Enjoy an immersive music experience with the 6-speaker arrangement in the cabin of The All-New Isuzu D-Max Auto Plus 4x2.

Rear vents with USB charging port

Enjoy a cool, refreshing journey with rear air conditioning vents and stay connected with 2.1A USB quick charging port for your devices.

// Big on the inside, big on the outside

Carry everything you need with you wherever you go. With enough space to bring all of your bags, clothes, or anything you need to ensure you're prepared for whatever life decides to throw at you.

1.5L Bottle Storage

Allocated space for 1.5 litre bottles conveniently placed at the side of the vehicle doors, so you can stay hydrated on long journeys.

Multi Storage Compartments

More flexible, convenient and accommodating. There is plenty of versatile storage space in The All-New Isuzu D-Max Auto Plus 4x2.

// Power for any occasion

Whether it's powering through the work week or having fun through the weekend, The All-New Isuzu D-Max Auto Plus 4x2 is the perfect companion. With precise fuel injection control and improved efficiency, it's more capable than ever before - whatever the conditions, whatever the location.

Charge ahead
150PS
350Nm

1.9 TD
BLUE POWER

6-Speed Automatic Transmission with Sequential Shift

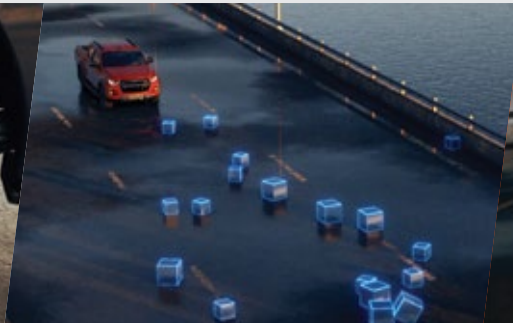

The 6-Speed Automatic Transmission automatically selects the most suitable shift and lock-up points according to the style of driving, vehicle load and cruising speed.

800mm Wading Depth

Drive with confidence through heavy downpour with an increased wading depth of 800mm in cases of severe weather.

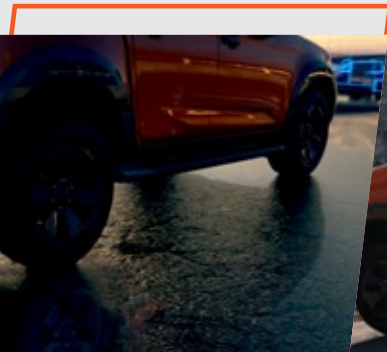

// A breakthrough in safety features

Anti-lock Brake System (ABS) and **Brake Assist (BA)** help apply full braking force in emergency situations while ensuring the vehicle can still manoeuvre safely. **Electronic Brake-force Distribution (EBD)** controls the braking force between the front and rear wheels according to vehicle load.

Electronic Stability Control (ESC)

Helps you keep control of the vehicle.

Traction Control System (TCS)

Provides greater control over the road or terrain.

Hill Start Assist (HSA) automatically prevents roll-back when starting on steep gradients while **Hill Descent Control (HDC)** automatically controls brakes and maintains speed when going down steep slopes.

Emergency Stop Signal (ESS) flashes warning lights when the vehicle is braking rapidly due to an emergency situation while the **Brake Override System (BOS)** reduces engine power if the accelerator pedal and brake pedal are pressed at the same time.

// Specification: Auto Plus 4x2 1.9L AT
