# TOUGHNESS

## RUNS WITHIN

The New Isuzu D-Max X-Terrain isn't just built to endure, it's built to inspire. From the gruelling trails of the **Borneo Safari** to the daily demands of life, this pickup is engineered to excel in every scenario and inspire resilience, aspiration, and boundless possibilities.

With a 3.0L turbocharged engine delivering raw power, advanced ALLSIGHT safety systems ensuring confidence on every journey, and a design that seamlessly blends rugged durability with sophisticated comfort, The New Isuzu D-Max X-Terrain redefines performance.

Over 85 Years  
Pick Up Professional &  
Diesel Engine Supremacy

# TRIED, TESTED, TRIUMPHANT

Tackling the **Borneo Safari's** untamed jungles is no small feat, but The New Isuzu D-Max X-Terrain has faced it all, and prevailed. Designed for extremes like the **Borneo Safari**, Southeast Asia's largest annual off-road motorsport event, it endures the wild challenges of off-road terrain to set the benchmark, not just meet it.

With a formidable 3.0-litre turbocharged Blue Power engine packing **190PS** and **450Nm of torque**, made to handle the treacherous terrains of the Borneon wilderness, The New Isuzu D-Max X-Terrain navigates steep inclines and thick mud with resilience and grit. Equipped with features like Terrain Command and a Rear Differential Lock, it delivers unmatched traction and stability, even when the path is anything but certain.

**3.0TD**  
BLUE POWER

Output: 190PS  
450Nm

### 3.0L Blue Power Engine

A durable and powerful turbocharged engine built to conquer tough terrains with ease.

TERRAIN  
COMMAND

Shift between 2WD, 4WD-High, and 4WD-Low modes to easily manoeuvre any road, wet or rugged.

4X4  
DIFFERENTIAL LOCK

### Rear Differential Lock

Provides the traction needed to overcome off-road obstacles.

### 800mm Water Wading Depth

Allows you to navigate water crossings with confidence.

### 6-Speed Automatic Transmission with Sequential Shift

Conveniently and precisely lets you take control, shifting gears as needed for a smoother drive.

### Under-Body Protection

Traverse any terrain confidently with steel under-body protection.

### Rough Terrain Mode

Efficiently manages engine power and braking systems, distributing torque to the necessary wheel for optimal all-terrain performance.

THE MALAYSIA BOOK of RECORDS

THE NEW ISUZU D-MAX CONQUERS 2,004KM JOURNEY IN ONE TANK! SETS MALAYSIAN RECORD!

# DESIGNED TO GO THE DISTANCE

The **Dura-Miles Fuel Efficiency Run 2024** demanded a vehicle capable of conquering long stretches from Thailand to Malaysia. The New Isuzu D-Max X-Terrain rose to the challenge, delivering a remarkable distance of 2,004km on a single tank of fuel and securing a place in the Malaysia Book of Records.

The intelligent engineering of The New Isuzu D-Max X-Terrain's engine delivers remarkable fuel economy while conquering the toughest conditions. Inside, the refined cabin transforms long journeys into effortless adventures, ensuring comfort mile after mile. This achievement embodies Isuzu's commitment to innovative excellence with fuel efficiency, adaptability, and comfort, proving that it's made to go the distance.

See it in action here

**3.0L Blue Power Engine**  
An engine designed to take you further by delivering remarkable fuel efficiency.

**6-Speed Automatic Transmission with Sequential Shift**  
Engineered for optimal fuel efficiency, every shift maximises mileage while minimising fuel consumption.

**Black Combination Leather Seats with Anti Vibration Elastic Comfort Foam**

**Multi-Function Leather Wrapped Steering Wheel with Tilt & Telescopic Adjustment**

**Front Bumper with Air Curtain**

# TENACITY

## ABOVE ALL

Every detail of The New Isuzu D-Max X-Terrain's exterior reflects Isuzu's expertise in crafting pickups that endure. Tough, yet sophisticated, it's a pickup designed not just to handle the unexpected but to excel through it. Whether tackling tough terrains or cruising down the highway, The New Isuzu D-Max X-Terrain offers a driving experience that never sacrifices performance, but leads you to the lifestyle of exploration you've been seeking.

# FORTIFIED

## FOR EVERY JOURNEY

Safety in The New Isuzu D-Max X-Terrain is more than just a feature, it's a commitment to protect you and your passengers in any situation. With state-of-the-art ALLSIGHT systems, The New Isuzu D-Max X-Terrain takes the lead in protecting what matters most. These advanced systems work together to minimise risks, ensuring that your safety is always a priority.

Wider Sensor Range

# THE CORE OF DURABILITY

Strength, stability, and safety converge in the chassis of The New Isuzu D-Max X-Terrain. With robust dimensions and innovative cross-member reinforcements, it's built to meet the demands of every journey. This isn't just engineering, it's the foundation of a pickup crafted to rise above every challenge.

**ISUZU**  
**DYNAMIC**  
DRIVE PLATFORM

### Chassis

The high-tensile steel body frame creates a lightweight structure, reducing noise and vibrations for enhanced stability.

### Double-Wishbone Front Suspension

The double-wishbone front suspension improves handling for a smoother, more comfortable ride

### Leaf Spring

The reinforced rear leaf spring suspension provides greater strength and flexibility.

Explore all the safety features here

Complete safety features with  
**ADAS**  
ADVANCED DRIVER ASSIST SYSTEM

**01 Forward Collision Warning (FCW)**  
Alerts the driver when a potential collision is detected in front of the vehicle.

**02 Autonomous Emergency Braking (AEB)**  
Automatically brakes when a potential collision is detected.

**03 Turn Assist**  
Monitors opposing traffic before turning and brakes automatically to avoid accidents.

**04 AT Pedal Misapplication Mitigation**  
Detects accidental acceleration, automatically suppresses engine power, and alerts the driver if there is a vehicle in front.

**05 Adaptive Cruise Control with Stop & Go (ACC)**  
Adjusts cruising speed based on vehicles in front of you, while also including Stop & Go functionality.

**06 Lane Departure Warning (LDW)**  
Detects and warns the driver when drifting into another lane.

**07 Automatic High Beam (AHB)**  
Automatically dims the high beam at night to avoid dazzling other drivers.

**08 Blind Spot Monitor (BSM)**  
Detects when a vehicle is approaching your blind spot and warns you through your side mirrors.

**09 Rear Cross Traffic Alert (RCTA) & Rear Cross Traffic Brake (RCTB)**  
When an object is detected in the blind spot while reversing, this feature alerts you with a warning and automatically engages the brake to prevent a collision.

**Manual Speed Limiter (MSL)**  
Allows a maximum speed to be set to ensure that the driving speed does not exceed it.

**Multi-Collision Brake**  
Prevents or mitigates impact in the event of an accident.

# SAFETY LED BY STRENGTH

**01 7-SRS Airbags**

Ensures ultimate protection, so that you and your passengers are in safe hands.

**02 Anti-lock Brake System (ABS)**

Ensures the vehicle can still be manoeuvred in emergency situations.

**03 Electronic Brake-force Distribution (EBD)**

Allows control of braking force between front and rear wheels, depending on vehicle load.

**04 Brake Assist (BA)**

Helps to apply full braking force in emergency situations.

**05 Electronic Stability Control (ESC)**

Helps you stay in control of the vehicle.

**06 Traction Control System (TCS)**

Allows greater control over the road or terrain.

**07 Hill Descent Control (HDC)**

Automatically controls the brakes and maintains vehicle speed when descending steep slopes.

**08 Follow-Me-Home Lights**

The headlights of your pickup remain switched on to illuminate your path after ignition is turned off.

**09 Walk Away Door Lock**

Locks the vehicle doors automatically after the driver walks more than 3 metres away with the key.

**10 Front & Rear Digital Video Recorder (DVR)**

Every journey you go on is recorded for your peace of mind.

**Hill Start Assist (HSA)**

Automatically prevents vehicle roll-back when starting on steep gradients.

**Emergency Stop Signal (ESS)**

In emergency situations, warning lights are activated to indicate that the vehicle is braking rapidly.

**Front & Rear Parking Sensors**

8 sensors provide instantaneous feedback to detect objects during parking.

**Reverse Camera**

While reversing, the system monitors the surrounding area behind the vehicle.
